

Borgarráð

***Fyrirhuguð þátttaka borgarstjóra í CDP Europe Awards í París, Frakklandi, 25. febrúar 2020***

Fyrirhuguð er þátttaka borgarstjóra í verðlaunaathöfn CDP (áður Carbon Disclosure Project), CDP Europe Awards, sem fram fer í Evrópu- og utanríkisráðuneyti Frakklands í París þriðjudaginn 25. febrúar 2020. Á viðburðinum koma saman fyrirtæki, fjárfestar og stjórnmalaleiðtogar, fulltrúar borga og ríkisvalds, til að ræða hvernig ná megi sameiginlegum markmiðum Evrópubúa í umhverfismálum. Borgarstjóri mun taka þátt í umræðum og taka við viðurkenningu CDP en borgin hefur komist á svokallaðan A-lista. Á þeim lista eru þær borgir sem skora hátt í aðgerðum gegn loftslagsbreytingum en aðeins 7% þeirra 600 borga sem taka þátt, fá slíka einkunn. Með borgarstjóra í för verður aðstoðarmaður hans, Pétur Krogh Ólafsson.

### ***CDP: Loftslagsbókhald og Evrópuverðlaun CDP***

#### *Almennt um CDP*

CDP (áður þekkt sem Carbon Disclosure Project) er óhagnaðardrifið samtök sem starfa um allan heim, með höfuðstöðvar í London og Evrópuskrifstofu í Berlín. Samtökin þjóna sem gagnaveita er veitir upplýsingar um loftslagsbókhald gerenda sem eru óháðir ríkjum (e. non-state actors), svo sem fjárfesta, fyrirtækja, borga og héraða. Upplýsingarnar varða bæði mótvægisáðgerðir og aðlögun að loftslagsbreytingum (e. mitigation & adaptation) en taka einnig á ýmsum atriðum tengdum sjálfbærni s.s. matarstefnu og auðlindanotkun (s.s. vatnsnotkun). Samtökin eiga í samstarfi við samtök á borð við *C40*, *ICLEI*, *Carbonn*, *WWF*, *Global Covenant of Mayors* og *Carbon Neutral Cities Alliance*. Þau taka við og halda utan um loftslagsbókhald aðildarfélaga, halda reglulega fundi og halda kynningar. Hlutverk samtakanna er einnig að gefa þeim aðilum sem gera upp loftslagsbókhald sitt einkunn (e. score) og veita ráðgjöf um hvernig hægt er að gera enn betur í baráttunni við loftslagsvá. Þjónusta samtakanna er borgum að kostnaðarlausu en þau rukka fyrirtæki og fjárfesta og njóta ýmissa styrkja frá einkaaðilum, góðgerðarsamtökum og opinberum aðilum, m.a. frá Evrópusambandinu. Sjá nánar um CDP á vefslóðinni [cdp.net/en](https://cdp.net/en).

#### *Evrópuverðlaun CDP*

Evrópuverðlaun CDP fara í ár fram í Evrópu- og utanríkisráðuneyti Frakklands í París þann 25. febrúar 2020. Á verðlaununum koma saman um 250 aðilar víða að úr heiminum frá a.m.k. 50 borgum og munu um 10 ræðumenn taka þátt í umræðum sem standa í um fjórar klukkustundir, borgarstjórinn í Reykjavík þar á meðal. Reykjavíkurborg fékk hæstu einkunn CDP (A-list) bæði fyrir árin 2018 og 2019 en frétt um einkunnina árið 2019 má sjá á vefsvæði Reykjavíkurborgar:

<https://reykjavik.is/frettir/reykjavik-faer-haestu-einkunn-sem-leidandi-borg-i-loftslagsmalum>.

Sjá einnig nánar um verðlaunin í dagskrárbæklingi og dagskrá.

**Efni:** CDP Europe Awards, February 25th, Ministry of Europe and Foreign Affairs, Paris

Dear Mayor Eggertson,

We are delighted to invite you to the **CDP Europe Awards**, which will be hosted by the **French Ministry for Europe and Foreign Affairs** at the Quai d'Orsay, Paris on 25<sup>th</sup> February 2020.

This year, for the first time, the event will include a celebration of European cities in the CDP Cities A list, which names cities leading on environmental action. We are thrilled to count your city as a member of this group and we hope you will be available to accept an award on behalf of your city.

## REGISTER HERE

Speakers include:

- Valérie Baudson, CEO of CPR Asset Management, Deputy CEO of Amundi Asset Management
- Pierre-André de Chalendar, CEO, Saint-Gobain
- Sergio Ermotti, CEO, UBS Group (tbc)
- Jean-Yves Le Drian, Minister of Europe and Foreign Affairs, France (tbc)
- Geraldine Matchett, CFO, Koninklijke DSM (tbc)

The CDP Europe Awards brings together companies, investors, cities, and policymakers of the highest level to discuss how Europe's interrelated environmental goals can be achieved.

As a member of the CDP Cities A List, your city has recognized the need for urgent action to address the climate crisis. Nothing less than a transformation of our global economy is needed to limit warming to 1.5°C, secure water resources and end deforestation. This event will offer the opportunity to join unique fireside chats and panel discussions to debate the action Europe's leaders must take this year as levers for global change.

Please note that this is a distinguished meeting for award-winners, investors, policymakers, cities' representatives and partner organizations at the discretion of CDP. Due to the nature

of this event and capacity of the venue, we would very much appreciate the presence of a **high-level representative of your organization** and hope that you will join us in person.

We kindly ask you to [RSVP for the event here](#) and we recommend an early registration. Registrations are **only valid once confirmed by CDP** via email.

For further information about the event, please visit our [event website](#). The preliminary agenda is attached to this email.

If you have any questions, please do not hesitate to contact our Partnerships and Events Manager, Célia Knipper, at the following: [celia.knipper@cdp.net](mailto:celia.knipper@cdp.net) / +49 (0)30 629 033 165.

We look forward to welcoming you in Paris at the CDP Europe Awards.

Kind regards,

**Steven Tebbe**  
Managing Director  
CDP Europe

**Shirin Reuvers**  
Associate Director  
Cities, States and Regions  
CDP Europe

# ABOUT CDP

**CDP** is a non-profit charity which runs the global environmental disclosure system, used by companies, investors, cities and regions to measure and reduce their impact.

The European economy looks to CDP as the **gold standard** of environmental reporting, with the largest and richest dataset of climate and natural capital action.

We aim to make environmental reporting mainstream, and provide the data that can **drive the urgent action** needed for a climate safe, water secure, deforestation-free world.

**8.400+**  
**companies**

Over 8.400 companies respond to our climate, water, forests and supply chain questionnaires

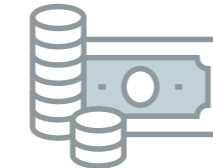

**€85tn**  
**total assets**

Over 525 investors request data on climate change, water or forests.

**800+**  
**cities**

Disclosed environmental data last year through CDP.

**75%**  
**European market capitalization**

Uses the CDP platform to disclosure data.

**120+**  
**states and regions**

Now measure their impacts through CDP.

# CDP EUROPE AWARDS

25<sup>th</sup> February 2020, Ministry of Europe and Foreign Affairs, Paris

The science is clear that environmental action is more critical than ever before. Nothing less than a transformation of the economy is needed, and Europe's companies, investors and policymakers can make or break this historic transition as leading levers for global change.

The CDP Europe Awards brings together these actors at the highest level to discuss the pathway for a climate neutral and resource secure future.

250 participants from 50 cities; 10 speakers across 4 hours of debates; and the gold standard of environmental awards: the CDP A List and Climetrics Awards.

# City of Reykjavík

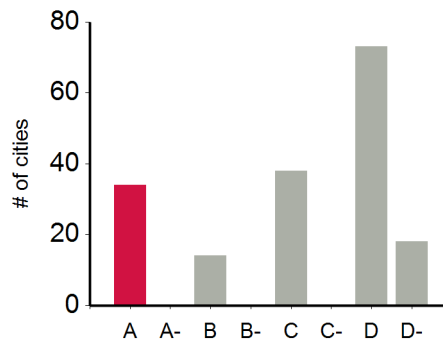

## CDP Cities 2019

This snapshot report presents the score that City of Reykjavík received for its response to the 2019 questionnaire. CDP uses the scoring methodology to incentivize cities to measure and manage environmental impacts. This report can be used as a tool for gaining an overview of environmental performance and how the city's response can be improved in the future. Responses are scored by CDP and CDP's scoring partner ADEC, using the [2019 CDP Cities Scoring Methodology](#). Scores are private to cities although CDP will recognize and reward the highest scoring cities.

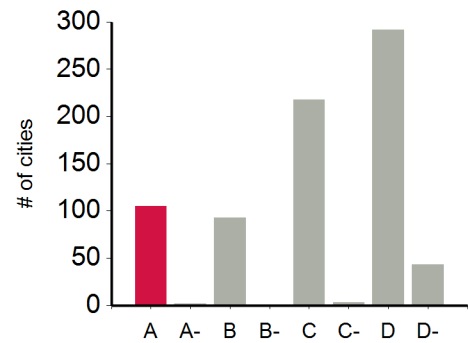

### Final overall scores

Final overall Score	Final overall Scoring band
<b>A</b>	<b>Leadership</b>

#### Regional Distribution

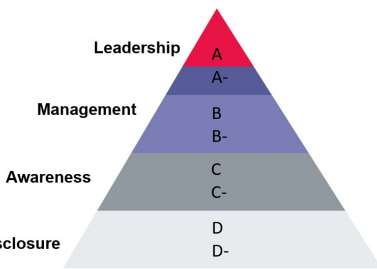

#### Global Distribution

Scoring measures progress towards environmental stewardship

The bar chart above shows the count of scores achieved by cities in Europe. The score for City of Reykjavík is shown in red.

The bar chart above shows the count of scores achieved by cities globally. The score for City of Reykjavík is shown in red.

### Adaptation and Mitigation Scores

CDP has broken down your response into two main themes: Adaptation and Mitigation to assess your city's climate action. Note, cities who do not receive an overall score in Leadership (A or A-) will not qualify for an A in their Adaptation or Mitigation score. For more information on which sections fall into each theme, please review the [Scoring methodology](#)

#### Adaptation

**A**

#### Mitigation

**A**

Cities preparing for, and adjusting proactively to, actual or expected impacts of climate change

Cities measuring and reducing emissions to enabling a move towards net zero

**C**

**Europe Average score**

**D**

**C**

**Global Average score**

**D**

## Information reported\*

This panel indicates what information was provided by City of Reykjavík in CDP's 2019 questionnaire which was used to determine your score. It also highlights some key points disclosed by cities globally and within your region.

Information disclosed by City of Reykjavík		% Europe	% Globally	
Adaptation or Mitigation Commitment	✓	75%	76%	 <b>Your city is committed to the Global Covenant of Mayors for Climate &amp; Energy</b>
City-wide GHG Emissions Inventory	✓	73%	64%	
Risk/Vulnerability Assessment	✓	64%	60%	 <b>Your city is committed to reduce its emissions by 35% by 2020</b>
City-wide Emissions Reduction Target	✓	76%	63%	
Renewable Energy Target	✓	54%	39%	 <b>Transparency: Your city disclosed publicly</b>
Energy Efficiency Target	✗	33%	25%	
Climate Adaptation Plan	✓	50%	44%	
Mitigation Plan	✓	60%	49%	

## How to improve your city's score

### Next steps for your city

Adaptation	Mitigation
<p>Step 1: Consider regularly updating and monitoring your city's risk assessment which includes vulnerable populations.</p> <p>Step 2: Commit to ambitious adaptation targets that will ensure vulnerable populations are protected in the future and consider the interaction between your adaptation and mitigation actions.</p> <p>Step 3: With regards to water security, ensure water risk is regularly assessed and incorporated into considerations when identifying emissions reduction and adaptation goals.</p>	<p>Step 1: Regularly update and review your city-wide emissions inventory. Where changes occur in the methodology or more information is obtained, update the previous inventories so that data is comparable over time. Consider undertaking a consumption-based inventory for the city.</p> <p>Step 2: Consider implementing emission reduction targets that are more ambitious than the NDCs of your national government.</p> <p>Step 3: Showcase your city's leadership by committing to 100% renewable energy and/or energy efficiency targets.</p>
