# UM TÓNLISTARBORGINA

Verkefni stofnað 2017

Markmið verkefnisins er að efla Reykjavík sem tónlistarborg með stuðningskerfi og sköpun á hagstæðum skilyrðum fyrir gróskumikið tónlistarlíf

Fjöltengi milli borgar, tónlistarsenu og tónlistariðnaðar

Stjórnarmeðlimur í alþjóðlegu tengslaneti tónlistarborga; Music Cities Network

- Fjölbreytt samstörf með íslenskum tónlistariðnaði; Tónlistarmiðstöð, Stef, Íslandsstofu, Iceland Airwaves o.fl.
- Samstörf með hátíðum; fjárstuðningur, listræn stýring og/eða tenging við samfélagið.
- Fjölbreytt starfsemi gegnum alþjóðlegt tengslanet tónlistarborga; Music Cities Network.
- Vinnustofur og fræðsla
- Alþjóðlegar skiptivinnudvalir
- Stuðningur við ýmis tónlistarverkefni allt árið um kring

A photograph of a snowy street in Reykjavik, Iceland. The street is lined with multi-story buildings and trees covered in snow. In the distance, the tall, pointed spire of the Church of the Holy Spirit is visible against a cloudy sky. A string of small flags hangs across the street. Several cars are parked along the side, completely covered in snow. A few people can be seen walking in the distance. The overall atmosphere is quiet and wintry.
