Subject: Your participation at the Nordic Safe Cities Board Meeting May 23rd in Copenhagen

Dear Nordic Safe Cities Board

I hope you all had a pleasant easter.

First of all, a warm welcome here to Þorvaldur from Reykjavik and Jørn Inge from Skien to the board and to this group.

Many exciting things are happening in our member cities and in Nordic Safe Cities these days. Amongst the highlights internally, Gjensidigestiftelsen has renewed their support to our Norwegian cities and us for the next two years with a 20 mio. NOK grant. The Mayor and Governor of Stockholm will co-host the Nordic Democracy Forum with us alongside the Swedish Government in November. We look forward to update you much more on everything when we meet soon in May.

Your participation at the Board meeting

We would like to know if you plan to be present in-person in Copenhagen on May 23rd for the next NSC board meeting.

It will take place from 10.00 – 17.00 in central Copenhagen, and will be followed by a light dinner afterwards. This scheduling to allow for (some of you) to fly into Copenhagen in the morning and back in the evening of the 23rd if you wish to do so. It is also possible to attend the meeting by virtual participation.

Nordic Safe Cities will cover your flight expenses, can book the flight for you, or reimburse you if you buy it yourself, and also cover a stay the night before and/or the evening of the 23rd in a centrally located hotel near Kongens Nytorv/The inner harbour.

Please let me know by Thursday April 11th or as soon as possible in what capacity you are participating and whether we can assist you by booking flight and hotel.

Look very much forward to see you all soon.
